

BIOGRAPHY

Small ToK is an international award-winning DJ act producing electronic music. The duo, consisting of the married couple Zohar and Bat-El Shaler, was established in the beginning of 2021, taking the dance music scene by storm with high profile releases, unforgettable shows and an unending supply of original music.

After releasing an impressive catalog of tunes in 2021, Small ToK raised the stakes with over 30 original tracks released in 2022-2024, signed on renowned record labels such as Universal, Warner Music, Soave Records, Deep Universe, 1St Strike (Universal Germany), Chapter Eight & ATLAST to name a few, establishing themselves as one of the emerging Dance - Pop producers of the year and resulting in millions of streams on major streaming platforms. Supporting the duo's latest releases, you can find names such as Nicky Romero, R3HAB, Timmy Trumpet, Bingo Players, DANNIC, KSHMR, DJs From Mars, One World (Tomorrowland) Radio, BBC, and more.

Performing on big stages, Small ToK's powerful combination of DJ + live singing connects the crowd to the act which results in epic, unique live mashups and high, undying energy. The duo's imprint weekly radio show, Small ToKs, is broadcasted on several countries and hosted guest mixes by artists such as Pink Panda, ASCO, Mark Roma, AVAION, Mr. Sid, DEADLINE and more.

Ending 2024 with a massive Southeast Asia tour, the duo is turning things up in 2025, with several releases on Major labels and upcoming shows all around the globe.
